RE: VA14 C3 40 “Conflicting CW Procedure”

FISTS Club Down Under, the chapter of the International Morse Preservation Society comprises members in Australia and New Zealand who are dedicated amateur radio Morse operators.

The publication “Ethics and Operating Procedures for the Radio Amateur” (EOPRA) endorsed by IARU contains some procedural errors.

This matter has been by raised by the Icelandic Radio Amateurs in their document VA14_C3_40 “Conflicting CW Procedure” that has our full support and recommendation.
